

Side-Event

Innovations for sustainable land use in Central Asia: Implementing Aichi-Targets 7, 4, 8 and 19

CLIENT II: An International Research Programme of the German Federal Ministry of Education and Research (BMBF)

Monday, November 26th 2018

1:15 pm until 2:45 pm

Room Luxor(Asia Pacific), Building 1

Number in online side event calendar: 2626

A light lunch will be provided.

Coordinated by: Institute for Biodiversity Network (ibn)

The Side-Event aims to

1. introduce the BMBF-research programme “International Partnerships for Sustainable Innovations – CLIENT II”, first results of the international research project REKKS: “Innovations for Sustainable Use of Agricultural Resources and Climate-adaption in the Arid Steppes of Kazakhstan and South-west Siberia” and
2. introduce to the Central Asian Desert Initiative (CADI) – a project funded by the International Climate Initiative of the German government to understand, protect and sustainably use Central Asian Temperate Deserts.
